## FOUNDER SPEAK

### EKTA PATEL

Founder & Managing Director

I started my venture to reach out to all those whose body issues can be solved from our own kitchen.... Nikkiz magic powder is a 100% natural product which not only helps in weight loss but also helps to maintain hormonal imbalances, vitamins deficiency, fat loss, diabetes and thyroid control etc...

Our Other Products are the perfectly blended teas infused with flowers, fruits and spices which not only enhance your mood but has number of benefits.

Our special product is Dry fruits mix Gulkand..( with a twist.. dry fruits, seeds, berries) For more information and to know about our product, call NIKKI PATEL on +91 99099 28098

From your very successful and loving response for Nikkiz Magic wood craved gift hampers.... We have decided to introduce it all year long for any of you special occasions, be it a birthday party, golden jubilee, anniversary, office gifts, thank you gifts and what not..!

Nikkiz Magic wood craved gift hampers are personalized according to your own choices and designs..!

The best part- the hamper comes in a mix and match style that allows you to create your special blends by picking Nikkiz Magic products, high quality Dry fruits and Favorite Chocolates that appeal to you and blending up your favorite choices.

# PLANT BASED NATUARL PRODUCTS FOR HEALTH CARE FOOD & HOME CARE

## PLANT BASED HOME CARE PRODUCTS

The complete Nikkiz Magic's plant-based cleaning products enables you to change to a more sustainable approach and upgrade your cleaning without affecting efficacy, time and costs. It reduces the amount of resources taken from nature whilst limiting impacts on the environment at the same time-over and over, every day.

Our products offering of plant-based, 100% Biodegradable and Non-toxic. Our products free from bleach, phosphates, LABSA and paraben. The key ingredient in our cleaning products is Bio

surfactant which is produced by fermentation of nonpathogenic Yeast. We have our own Bio-control laboratory in which we have to grown different kinds of micro-organism.

Our plant-based products are formulated using natural ingredients which are derived from coconut tree, palm tree, citrus etc... so that, it is safe for health and environment.

Plant-based cleaning products offer a safer and greener approach to maintaining a clean home. With their effective cleaning power, environmental sustain ability, and support for a healthier living environment, these products provide a practical and eco-friendly alternative to traditional cleaners.

## Difference between plant based and Chemical Based Cleaning Products

Plant Based	Chemical Based
<ul style="list-style-type: none"> <li>It contains natural ingredients e.g. Glucoside, Bio surfactant etc..</li> </ul>	<ul style="list-style-type: none"> <li>It contains harsh chemicals e.g Phosphate, Paraben, Bleach etc..</li> </ul>
<ul style="list-style-type: none"> <li>Do not causes any health issues.</li> </ul>	<ul style="list-style-type: none"> <li>It causes severe health Problems e.g skin irritation, allergy etc..</li> </ul>
<ul style="list-style-type: none"> <li>It removes stains without harming the surface.</li> </ul>	<ul style="list-style-type: none"> <li>It reduced the durability, shine and transparency of the surface.</li> </ul>
<ul style="list-style-type: none"> <li>It is less harmful to the environment.</li> </ul>	<ul style="list-style-type: none"> <li>It is extremely harmful to the environment.</li> </ul>
<ul style="list-style-type: none"> <li>It is safe for you and your family.</li> </ul>	<ul style="list-style-type: none"> <li>It is not safe especially for children and pets.</li> </ul>
